## Becoming a Partner

WITH RUTHERFORD CROSS

Join us for an honest and insightful webinar about the journey to partnership.

Hear directly from two current partners as they share their experiences, lessons learned, and perspectives on navigating the partnership track. We'll discuss how to prepare, what qualities firms look for, common challenges along the way, and what it takes to build a successful long-term career.

Whether you're actively pursuing partnership or simply exploring the path ahead, this webinar will offer valuable insight into the process and the realities of the role.
