

# Planning Your Career Journey...

## 'Sustainability & The Future of Finance with Aggreko & ICAS'

Rutherford Cross is delighted to be partnering with Aggreko & ICAS for the latest instalment of our 'Planning Your Career Journey' event series – 'Sustainability & The Future of Finance'. We would be delighted if you could join us for a relaxed evening of conversation with Chris Barber – CFO of ICAS, Dawn Demellweek – Director of ESG at Aggreko and Kyle Hill – Head of Treasury at Aggreko.

At this exclusive evening event, Chris will share insight into the impending changes to the ICAS curriculum; now including sustainability and what sustainability means for accountants looking to the future. He will also discuss his own career journey. Dawn will then explore what a £2billion+ revenue global business is doing from an ESG perspective and how this has changed in recent years. Finally, Kyle will provide insight into his own career journey from graduate accountant to a senior role within a global and hugely successful business and offer guidance on how to progress your own career and achieve your ambitions.

After the presentations, there will be an open forum for questions and discussion with our speakers alongside refreshments and some relaxed networking.
